

CENTRAL BOARD MINUTES  
April 18, 1944

President Jack Cuthbert called the meeting to order and the minutes of the April 11, 12, and 13 meetings were read and approved.

Cuthbert appointed Thompson, Dillavou, McKee, Kinkade, and Briggs as a committee to draw up plans for the council which was proposed at the last meeting to promote student-faculty coordination. The committee was requested to draft by-laws and submit recommendations as to the type of council which would prove most satisfactory.

The possibility of having delayed rushing in the fall was discussed. Many advantages and disadvantages were mentioned, and Voldseth volunteered to write to several schools where the delayed rushing system has proved successful, to obtain the rules and procedures which they use. It was pointed out that Central Board can only <sup>such</sup> make recommendations concerning rushing, but that any recommendation may be effective in determining a change in policy in the future.

Meeting adjourned.
